

TRAINING OPPORTUNITY!

ENVIRONMENTAL CORE SKILLS & ENVIRONMENTAL MONITOR COORDINATOR (RESEARCH SPECIALIZATION)

Are you interested in measuring the impacts of human and industrial activities? Environmental Monitor Coordinators assist with tracking and measuring various environmental factors.

THE COURSE

Three weeks of Core Skills and two weeks of Research Specialization focused on incorporating local knowledge and western science into environmental monitoring and planning, use of standard equipment and tools, and learning various sampling and surveying techniques.

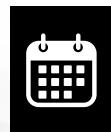

THE SUPPORT

Anishinabek Employment and Training Services can offer supports* to members of our nine affiliated First Nations including travel to Thunder Bay, transportation to class, training, and meal allowances.

DURATION

This course will be approximately five weeks in length and will be offered in Thunder Bay, ON.

STARTING

February 20, 2024

Register as soon as possible. For more information or registration call or email AETS.
