Start Your Journey with AETS

Whether you are entering the workforce, changing careers, or upgrading your skills, AETS is here to support you every step of the way.

Personalized Employment Supports

At AETS, we recognize that everyone's path is different. Our team offers one-on-one support tailored to your goals, strengths, and experiences.

Culturally Grounded Services

As an Indigenous-led organization, AETS is committed to providing services that honour culture, identity, and community values. We strive to create a safe, welcoming space where clients feel supported and empowered.

Your path. Our ways

Removing Barriers Together

We understand that barriers to employment are real—and we're here to help you navigate them. AETS works with you to identify challenges and provide supports.

Supporting Employers

AETS also works with employers to build inclusive workplaces and create opportunities for Indigenous talent.
