Indigenous Labour Market Information Survey Project

**Did you know there's
a lack of workforce
information available
about First Nations
in our area?**

At AETS, we're working hard to change this. Our **Labour Market Information (LMI) Survey** helps identify workforce gaps and match First Nation people with the right training and jobs.

Are you a
member of a
North Superior
First Nation?

Are you 15
or older?

Do you want
to contribute
to your
community?

Do you want
to get paid
for your time?

**GET PAID to take the AETS LMI Survey
and help provide essential data while
helping your community.**
