## *Mining Essentials & Underground Hard Rock Common Core Training Program for Aboriginal People - 2011/2012*

**Ontario Ministry of Training,  
Colleges and Universities**

## **Our Mission**

To assist in the development of a skilled Aboriginal workforce through the provision of individual and community based employment and training initiatives.

## **Background**

The Assembly of First Nations (AFN) and the Mining Industry Human Resources Council (MiHR) partnered to develop the *Mining Essentials* Training Program. The goal of the national work-readiness training, is to provide Aboriginal peoples with the skills and confidence needed to enter the mining workforce, and in turn, to provide industry with a ready-to-work, local workforce, based on a nationally validated pre-employment program.

## **Program Description**

Anishinabek Employment and Training Services (AETS) in co-operation with eight First Nation Communities, Barrick Hemlo and Confederation College, will provide weekly transportation and accommodation for up to fifteen Aboriginal participants under the program. The culturally aware and responsive program includes classroom and community training, as well as on-the-job work experience.

\* Information/dates are subject to change
